Mungos classic Harold plan blends the popular open floor plan with the classic layout offering the kitchen and dining space separate from the living space. Upon entering this home you'll step into the foyer area with a coat closet, spacious living area, and formal dining room with the kitchen overlooking both spaces. The kitchen includes ample countertop and cabinet space with a pantry. The layout of the kitchen is perfect for adding an island for even more workspace. The laundry room is on the main level just inside coming from the garage. This plan also offers two master suites upstairs with a split plan layout. The main suite offers a private bathroom with a garden tub and separate shower, double sink vanity and WIC. The secondary suite also features a private bathroom and closet. The hall bathroom, with a linen closet, is shared by the additional two secondary bedrooms. The backyard is fenced on almost all sides and could easily be enclosed for extra privacy. This community offers easy access to tons of shopping & dining options along Garners Ferry Rd and Devine St, equally easy to access to Sumter & Shaw Airforce Base, Fort Jackson (via I-77 or Leesburg Road). Also an easy commute to the VA Hospital, Downtown Columbia & The University of S.C. Don't miss out on making this home your own! Call today to schedule your private viewing.
